

# Godparent Prayer

I thank you, O Lord, for this blessing,  
this call to share in a brand new life,  
and to encourage this child  
in the way of faith.

Help me to be at all times,  
a source of comfort and spiritual support  
to the parent(s) of my Godchild.  
And be with me, Lord,  
as I try to reveal in my own life  
what it is to be faithful to your love.

I pray that the home of this child  
may be a caring place  
filled with the joy of faith.  
Lord, let my Godchild come to know me  
as a trusted friend - one who is always ready  
to share in the troubles and the joys  
of her(his) growing up,  
and growing toward you, Lord.  
Amen.
